Describe in detail the type of architectural change, including alteration, materials and color(s) to be used:

We want to tear out the existing large front deck and put in a smaller one with an aircraft cable railing system. Colors will be medium and light gray to match the house trim. The stairway will directly face the driveway, and be wider.

Estimated Start Date: Late June, '19 Estimated Completion Date: Early July, '19

Application Attachments to include:

- Drawings or plans of architectural changes and appearance
 - Patio, deck and screening changes/additions must show dimensions and location(s)
- Photos representing project intent and/or surrounding area
- Samples of color(s) and materials, e.g. shingles, siding, etc.
